For pre-authorized entries, three business days advanced notice prior to the expected transfer date of the debit entry is required to implement the stop payment request. If the stop payment order is received within three business days of the expected transfer date, we will attempt to satisfy the request of the account holder but will not be held liable if sufficient time was not provided for a pre-authorized transfer that occurs within the three business day period. For all non-recurring, single transaction ACH payments, the stop payment request must be provided in a timeframe that allows reasonable opportunity for us to honor the request prior to finalizing the ACH entry.

Please indicate your specific choice for stopping payment from the originating company named above by checking the appropriate box:

- I wish to stop all future payments from the Originator indefinitely.
- I wish to stop the next payment only. *(Future entries from this Originator are to be paid, unless I provide you with an additional stop payment order.)*
- I wish to stop a series of payments.
(Identify the payment dates, or months, of the specific payments from the originator you wish stopped.)

A \$25.00 fee will be assessed to the member's account as payment for implementing this stop payment request.
