

“How To” Access Online Banking

1. Go to NSLFCU.org
2. Click the online banking tab underneath the scrolling pictures:

3. The next screen will ask for your **user name** and **password**.

A screenshot of a login form titled 'Online Account Access'. It features two input fields: 'User Name' and 'Password'. Below the fields are three buttons: 'Log in', 'Forgot Password [?]', and 'Not Registered [?]'.

4. If you are a new user, the system will then prompt you to change your password to something more secure. It will also ask you to answer five security questions before allowing you access to your account information. You must answer these questions in order to continue. Please be mindful that your password and the answers to these questions are case sensitive.
5. You are now able to access online banking!
